Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 10 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A bright start but becoming quite a showery day.

Today:
Quite a bright start although a few patches of mist and fog will be slow to clear. showers soon developing and becoming quite widespread in the afternoon with a few heavy ones. Cloudy at times around the east coast. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers mostly clearing but a few remaining around the east coast. Strengthening southerly winds will help clear any lingering low cloud. Minimum temperature 7 deg C (45 deg F).

Tuesday:
A bright and dry start to the day but once again showers will break out especially in the east. Winds falling light. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
A mix of sunshine and showers but often quite cloudy when winds fall light. Feeling warm when the sun is out.
